MAD power,

Meat Puppets' bassist Cris Kirkwood reacts to his band's mention in Issue #332's "Names of Music Groups as they Appear Elsewhere in Our Lives." And since we're talking about rock, we can't think of a better opportunity to renew our dare to Pearl Jam: we challenge you to have your next CD cover illustrated by MAD's own Duck Edwing!

THE TRUTH IS RIGHT HERE

X-Files cast members Mitch Pileggi, Gillian Anderson and David Duchovny and Creator/Executive Producer Chris Carter cry out in terror as they read MAD #335! No, not because they're reading "The Lighter Side Of...," but because they're enjoying our satire "The Ecch Files"! Now, here's a real mystery we'd like them to investigate: How did an intelligent, witty, quality program like theirs ever wind up on the FOX network??

LETTERS &

GETTING OUR FILTH

As a concerned middle school teacher, I am disgusted with the contents of your magazine. Too often I have faced Beavis & Butt-head impersonators in the classroom who do not understand that they are effecting a life of irresponsibility and stupidity that would contribute nothing positive to our society. After a closer look at the filth you propagate, it is clear to me that your magazine is a major cause of the decline of our youth. Do you feel no responsibility for the immoral thoughts and actions in which you encourage our youth to engage? Satirical humor is funny, and I can appreciate some of your work, but why is it that you cannot cut some of the foul language, sexually suggestive scenes, and disrespectful attitudes. They only encourage actions and thoughts that are degrading and fruitless. Please consider cleaning up your act for the sake of our youth and the future of our society.

Lisa Venable
H.P. Miles Middle School
Waco, TX

I'm writing to you to let you know that I'm deeply concerned about the filth you are publishing in your magazine. I find it very repulsive and I find it very hard to believe you would publish such trash for our young children. I do not get your magazine. But it was at our middle school library. I also called the librarian and talked to her about it. She also said that she was disgusted about the magazine and that they will not be ordering any more and they are throwing away the copies that are coming back from kids checking them out. You can be sure that I will share with other parents about this awful magazine.

Norma Meinen
Bloomer, WI

It sounds like you two have common interests. Hey, we have an idea! Why don't you become pen pals! Then you could write about all the filth in the world on ragged pieces of loose leaf paper and mail them to each other! Yeah! Ooh, wait! You can both go online and e-mail filth updates to each other! Then you could contact each other's librarians and spend an afternoon chatting about filth! You know what? Set up a filth hotline! What a great way to spend summer break that would be! Well, excuse us now, we're due back on planet Earth! —Ed.

PHONE HOMELY

I think that an Alfred E. Neuman phone (as depicted in many of your recent subscription ads) would be a big hit! Are you planning to license one?

Steven M. Brown, M.D.
Mequon, WI
CHUCKAMUCK@aol.com

Doc Brown — We spoke to our pals at AT&T — the ones that are part of our "Friends and Family" calling circle — and presented your idea to them. They responded like their sappy TV commercials with the sappier Tom Selleck voice-overs: "Make and receive calls on an Alfred E. Neuman phone? You won't!" Fortunately, there are plenty of other MAD-related products about to go on the market! Watch for the Alfred E. Neuman "special edition" Pocket Wok, the Spy Vs. Spy Chia Pets and the Sam Viviano Horse Grooming Brushes! They'll be available at all Warner Bros. Studio Store locations! If you don't see them, ask! —Ed.

STALLONE RANGER DIES AGAIN DEPT.

Fifty years from now, the world will be very different! The most novel innovation will be the legal system! Justice will be meted out instantly by people who will arrest, try and convict wrongdoers on the spot! They will be called Judges! The 21st century jail will be more dangerous, more run down and dirtier than our present day prisons! They'll be more like our present day public schools!

JUDGE DR

Just **who** the hell is **Judge Dreck?** I never **heard** of **him!**

Dreck's a successful **comic book character** in **England!** They had the **idea** that if they introduced **him** in the **U.S.A.** he'd be **popular!**

Almost as **popular** as that **other** splendid British idea, **"Taxation without representation"!**

Why do they have so many **slow motion** action shots with **Stallone?**

What slow motion? **That's Sly's** speed in **real life!** When they want the **action** to look **normal**, they **run** the **film faster!** After all, the guy's almost **50 years old** and they don't want to risk him **plotzing!**

Judge Dreck is the most **feared man** in the **country!** With him, **civil rights** mean **nothing!**

Yeah! He **learned** from studying **Judge Clarence Thomas!**

C'mon, you gotta be **kidding!** You're really **Judge Dreck's brother?**

It's **true!** We were both **cloned** from the **same DNA!**

Then **you** and **Dreck** are **actually** the **same person!**

Right! In fact it was **me** and not **him** who starred in ***"F.I.S.T."*** ***"Paradise Alley"***, ***"Oscar"***, ***"Rhinestone"***, and ***"Stop, or My Mother Will Shoot"!***

Why would **anyone** want to do **that?**

Because **I hate him** and wanted to **ruin his movie career!**

Well, **he's still here!** I hope you're a lot **more successful** this time around!

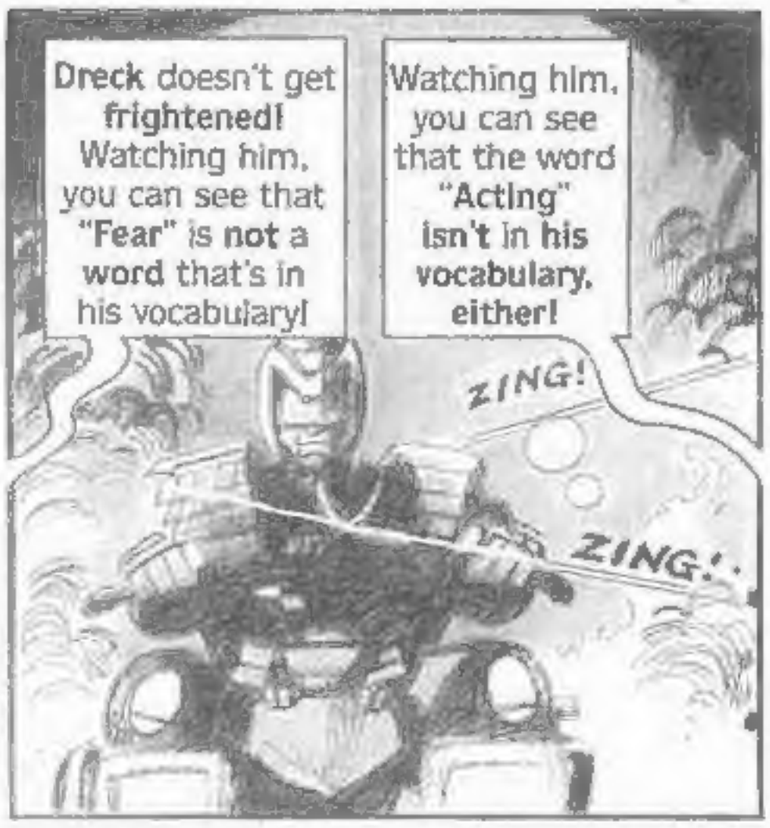
With Judge Dreck on the scene, things will be a lot different!
Yeah! Up to now the bad guys have shot everyone they aimed at! But all of a sudden, they're unable to hit a target as large as that big moose...
VIP!
VIP!



Dreck doesn't get frightened! Watching him, you can see that "Fear" is not a word that's in his vocabulary!
Watching him, you can see that the word "Acting" isn't in his vocabulary, either!
ZING!
ZING!

Hey Dredd-man, Dredd-o-lator, the Dredd-meister...
Hmm. I don't think he's quite ready to step out of *Saturday Night Live* and into movies!
You never can tell! He may have as memorable a movie career as former SNL graduates Bill Murray, Eddie Murphy and Billy Crystal!
Yeah! Or as forgettable as the movie careers of Joe Piscopo, Dana Carvey and Julia Sweeney!
This doesn't look like Gotham City, Robin! We may have stumbled into the wrong movie!
We're supposed to be on screen next door! But with these multiplex theaters so close together, something like this was bound to happen!
MORT DRUCKER

What would you say if I offered you my body?

I'd say, "No thanks, I already have one!" But if I ever need a spare part, I'll call you!

I protest that our current system violates our citizens' freedoms!

I'm afraid that Judge Farto misinterprets the basic document of the United States under which we operate! In it, the ordinary citizen has very few rights!

Where does it say that in the Constitution?

What Constitution? I'm talking about The Republican Contract With America!

Your performance concerns me, Judge Dreck! Last week you maimed 15 men, fatally injured ten more and conducted seven executions! It was ghastly!

Don't worry! I'll get those numbers up! I'm cutting out lunch breaks!

Good shooting, cadets! Monday is Open School Night! Each of you must bring a parent to class! We're running out of targets!

We can't bring anyone!

You two are excused! I know how good your aim is!

Who are those guys?

The Menendez brothers!

Dreck judged me and sent me away! But now I'll judge him! Ha! Ha!

Rico escaped by using new, highly advanced 30th century technology!

Yeah! But some things never change, like using old, demeaning clichés! In this movie, the villain has the usual Italian name!

POW!

Judge Dreck, you are under arrest!

What's the offense?

Murder!

I'm relieved! I was afraid it was something serious!

How come Dreck gets a trial when everyone else gets tried, convicted and sentenced right on the spot?

What defense of Judge Dreck do you offer?

Insanity! My client went nuts trying to figure out what's happening in this movie!

You have been found guilty!

But I was framed!

You may have been framed because you seem so much like a still life! I must strip you of your uniform!

Isn't that ceremony a little old-fashioned?

Maybe! But it's our only excuse to show off his body! It's in the contract!

With a heavy heart I leave Smegma City and retire to the ugly world outside!

Judge Farto looks very uncom-fortable to me!

You'd look that way too, if they made you wear Sharon Stone's old costume from *The Quick and The Dead!* Ha! Ha!

That's a bad joke! How many people will remember that bomb?

More than will ever remem-ber this one!

I want to start the Janus plan under which I can use clones to dominate the world! But first we must have the population afraid to challenge us!

Leave that to me! I've had years of experience being a brutal despot! I used to be a high school Phys-Ed teacher!

This graduation photo of Dreck and Rico means either they're the same age and are twin clones or Rico was Dreck's prom date!

I heard Dreck survived the prison shuttle crash, which comes as no surprise since we have 60 tedious minutes left in this potboiler! It's S-T-R-E-T-C-H time!

I believe you know Dr. Hateful, the psychiatrist, Dreck! She testified that you might be mentally unbalanced!

I couldn't make a positive diagnosis until we had many more sessions! But Dreck refused to lie on my couch unless I was lying next to him!

I don't think there's anything unbalanced about that request! Heh-heh-heh!

Ha! You judges thought that your law could work! You didn't realize that the only thing that's truly effective is God's law!

And if that don't work, try a kick in the cajones!

Mean's dial is set on 1, for "kill"! You are a dead man, Dreck!

What if I turn the dial to Number 2?

He gets *Wheel of Fortune* and that makes him even meaner!

How'd you put him out?

I changed the dial to Number 3! That's a PBS fund-raising drive!

I hated you and wanted to destroy you! But now I see that together, we two brothers could rule the city!

Never!

So, under that hard guy exterior, you're really a bleeding heart humanitarian!

Not even close! It's just that the job of dealing with the city's crime, drugs, unwed teenage mothers and welfare problems are too tough for even me to handle!

This fight scene between women shows that there's a sexual equality in this movie!

Don't fall for that P.C. bull! We're fighting to show some boobs and buns! It's in our contracts, too!

You see, Dreck! All your efforts have come to nothing!

Not exactly! At least this pose will remind people to rent *Cliffhanger!* I make ten cents per rental!

I can't believe it — it's **empty!!**

Of **course!** You may know a lot of **high-tech** stuff but what you **don't** know is that the **hero never dies** that **way!**

CLICK

I got **bad news** and **good news** for you! First the **bad** news! You're 150 **feet** above the **ground!**

And the **good** news?

We **judges** have given your **dive** a 9.6 rating!

You **could** be a **sitting** judge, if you **wanted!**

Not me! I want to be **out** on the **street!**

How **come?**

You could be **stuck** with a **case** that **drags on** and **on...**

...and might **never** end!

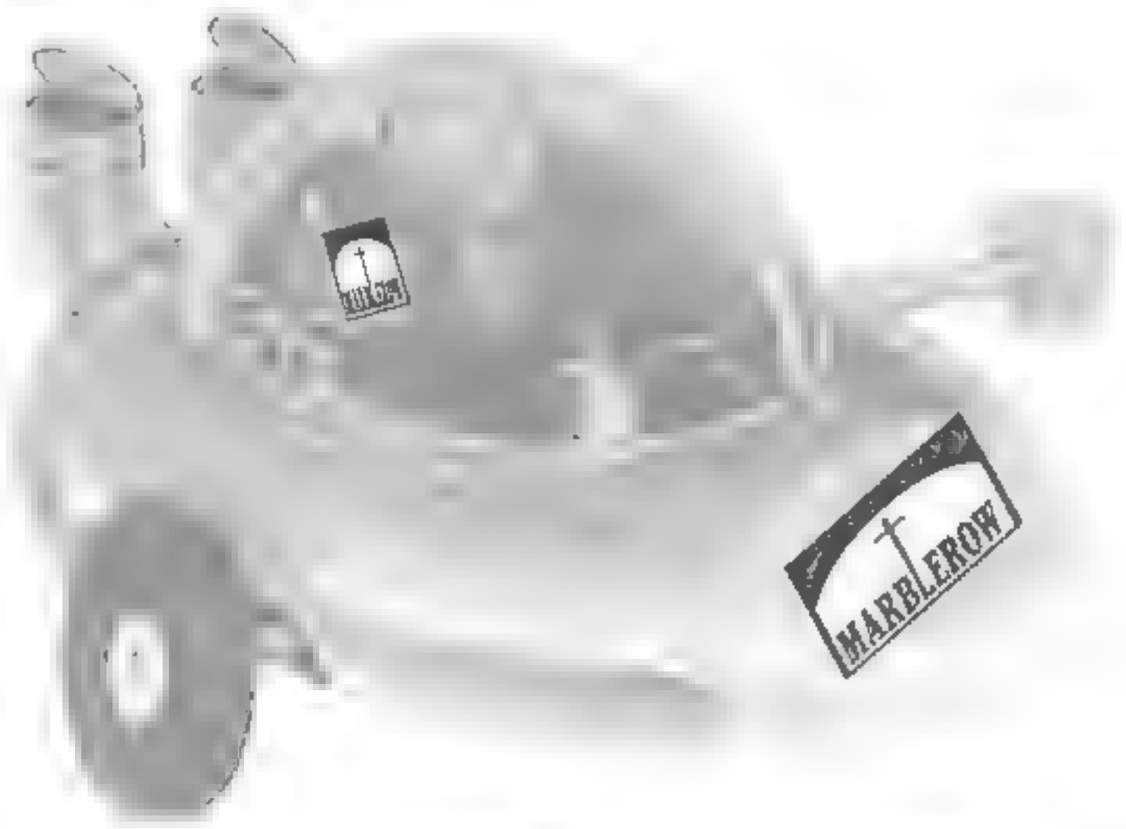
CIGARETTE BUTT PLUGS DEPT.

It's truly mind-boggling to witness the absurd and insulting levels tobacco companies will stoop to in order to entice us to smoke. From hideously grotesque cartoon camels to macho jerks on horseback to bimbo models in negligees to gratuitous "sponsorship" of sports and music events — we thought we'd seen it all. Hoo boy, were we wrong! The latest chicanery unleashed upon us by America's merchants of death is a slick, full color catalog appearing in magazines all over the country. Their revolting sales pitch: smoke enough butts and we'll make it easy for you to get some shoddy merchandise with our hateful logo "emblazoned" on it. Hey, just think, if you smoke all the cigarettes they want you to and manage to survive, you could become a walking advertisement for carcinogens! You'll find all the sickening details in...

MARBLEROW GEAR

MARBLEROW

ARTIST GREG THEAKSTON WRITER: DICK DEBARTOLO



MarbleRow revives an old motorcycle idea with a modern twist. Ideal for use in carpools in which you're the only smoker. Zinc-plated sidecar bolts to vehicle, allowing uninterrupted enjoyment of your nicotine addiction.
Emblazoned with MarbleRow logo.
300,000 miles

AUTOMOBILE SIDECAR

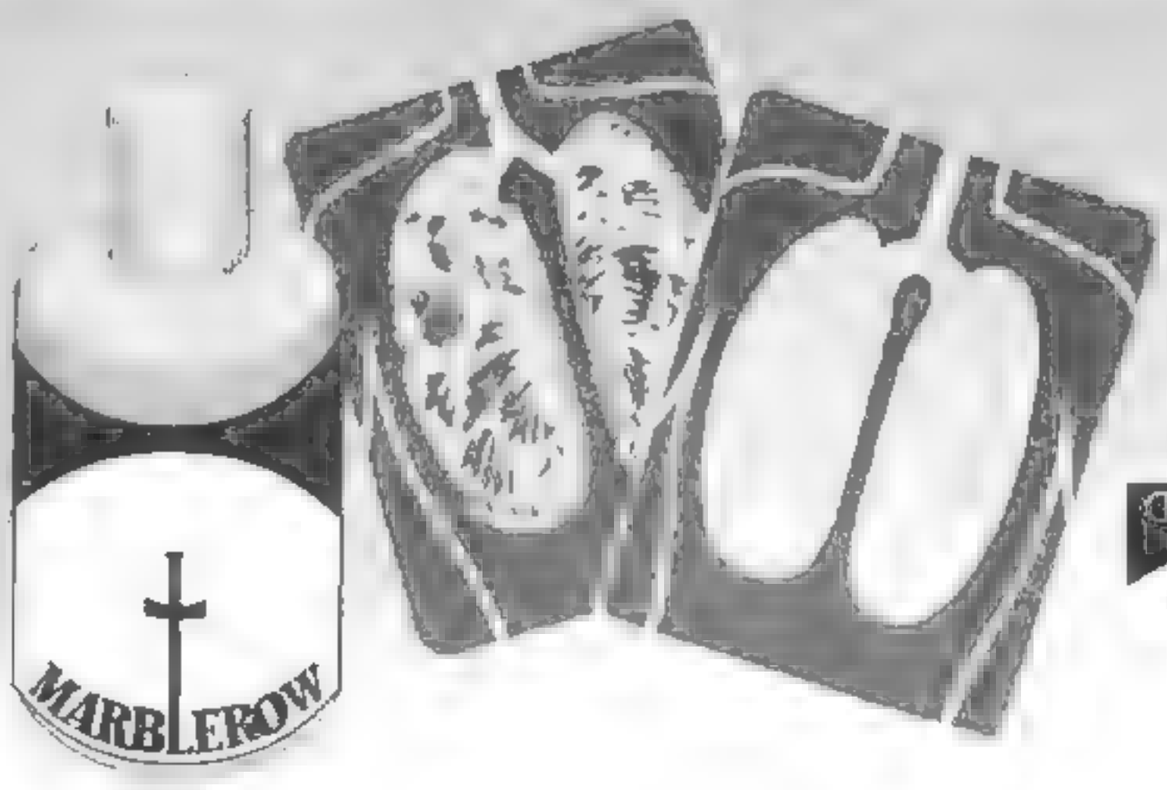
ELECTRONIC VOICE BOX

EMERGENCY OXYGEN MASK AND TANK

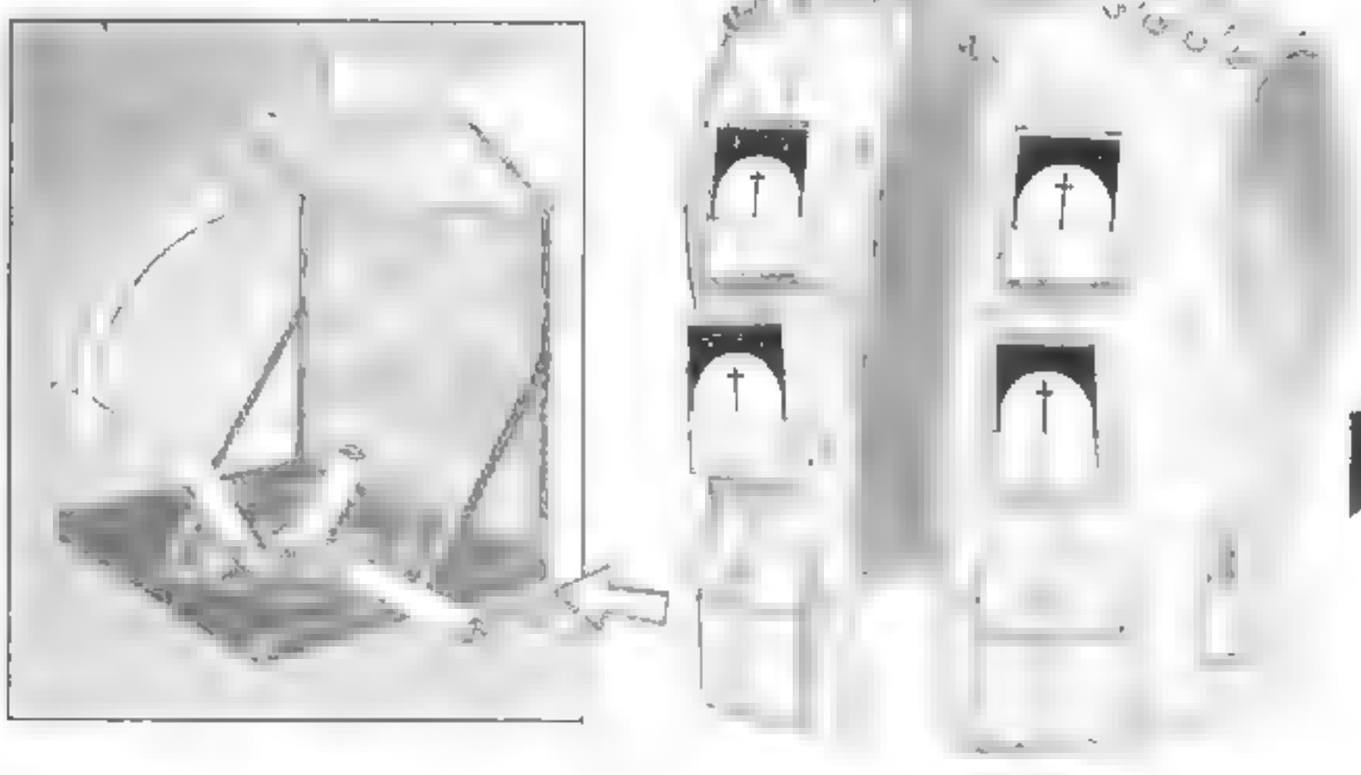
Superior construction and stylish design combine to help reinvigorate failing lungs between cigarettes. Portable for home or office use.
Emblazoned with MarbleRow logo. 48,000 miles.

SURGEON GENERAL'S WARNING: Cigarette Smoke Contains Carbon Monoxide—And That's One Of The Better Things In It.



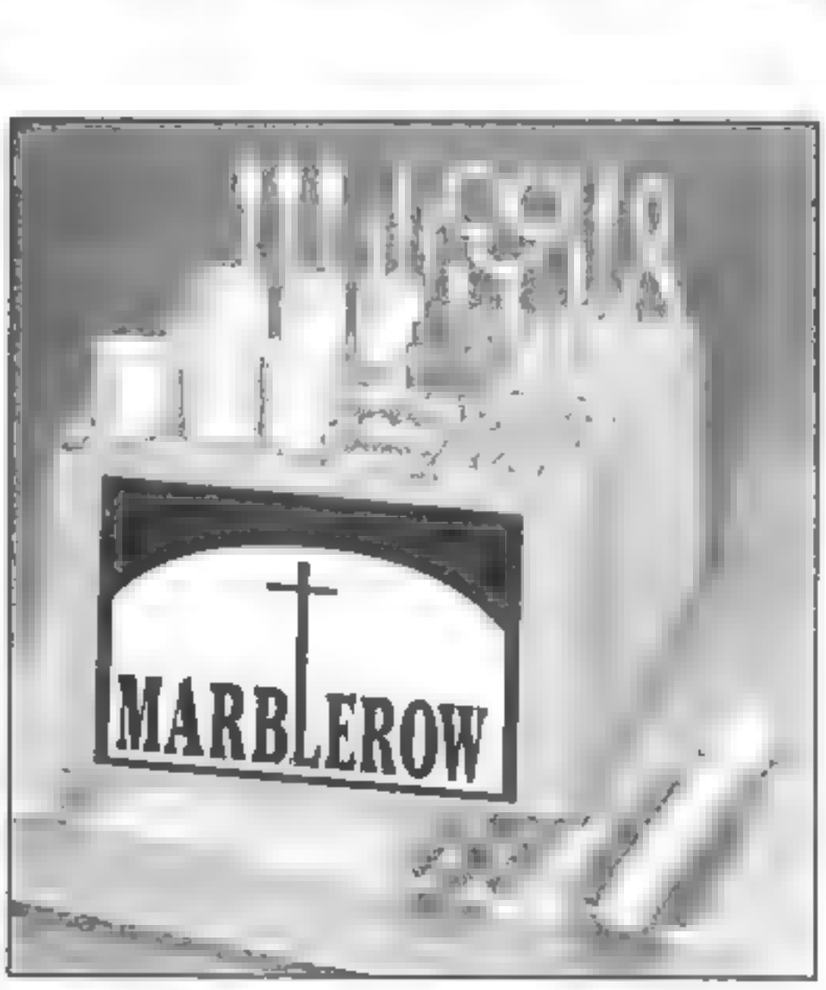
Never again bear friends and family say "I told you so" when those little black dots begin growing and multiplying on your lung x-rays. Our exclusive fluid allows you to "white" them out. Not for use on actual lungs. Bottle emblazoned with MarbleRow logo. 55,000 miles (two bottles for 96,000 miles).

X-RAY TOUCH-UP FLUID



Rugged indoor styled jacket has 11 pockets! Eight for cigarettes, one for a lighter and two fire retardant cargo pockets that can be used as ashtrays when you're in places where thoughtless people have not provided any (as in hospital wards or jet airline restrooms)! Emblazoned with MarbleRow logo. 50,000 miles. Also available: Bulletproof smoker's jacket (in case rabid anti-smokers get even more militant). 150,000 miles. (Be sure to state size: S,M,L,XL. Please allow for the fact that are you probably shrinking.)

SMOKER'S JACKET



Keep yourself out of trouble with this assortment of "furniture match" paints that cover unsightly and unavoidable cigarette burns wherever you make them. Kit also includes dozens of fabric patches, ideal to cover those dropped ash burns in rugs and upholstery. Emblazoned with MarbleRow logo. 1,525 miles.

SMOKER'S REPAIR KIT

SURGEON GENERAL'S WARNING: Smoking May Shorten Your Memory And Do Something Else We Can't Remember.

SURGEON GENERAL'S WARNING: Quitting Smoking Now Greatly Reduces Your Chances Of Being Ripped-Off By Crappy Merchandise Offers.

RACING STRIPE WALKER

Exclusive handsomely bound volume of laboratory experiments, field research and other ersatz reports indicating smoking is in no way harmful to anyone. Funded by the tobacco industry, this conversation piece will look great on your coffee table, right next to the ashtray. Emblazoned with MarbleRow logo. 2 miles.

"SCIENTIFIC STUDIES" REFERENCE BOOK

HERE'S HOW TO GET MARBLEROW GEAR.

GET THE MILES.

Collect MarbleRow Cancer Store Miles on specially marked MarbleRow packs. Each pack proof is worth 5 miles. Collect five packs, you have 25 miles. Collect 100 packs, you have 300 miles. (Fortunately, we don't offer a MarbleRow Gear calculator for you to check our math!)

WHEN YOU'VE COLLECTED ENOUGH MARBLEROW CANCER STORE MILES TO GET THE GEAR, COMPLETE THESE 4 STEPS:

1. Send us a list of the item(s) you wish to order. You don't have to print or write legibly, since sending you your merchandise is at the bottom of our list. We already got you to smoke hundreds of packs of MarbleRows, which was the real reason for this promotion!
2. You must include your signature and birthday. You must swear that you are over 21 years of age. (But teenagers should remember that there is really no way for us to know if you're lying or not!)
3. Prepare a money order or check. Please wash your hands before you fill it out. We don't want to deal with the odor from your smelly smoker's fingers.
4. Send your completed order form, plus your check or money order and the tons of Cancer Store Miles required to:

   MarbleRow Cancer Store
   29 Tumor Way
   Collapsed Lung, Montana 59715

Remember, we are not responsible if the cost of sending the MarbleRow Cancer Miles to us combined with the cost of shipping and handling exceeds the value of the gear itself. This offer is limited to smokers 21 years of age and older who are still living. Offer void for employees of Morris Philip and its advertising agencies. (There's a clause in our contract with our health insurance provider preventing us from smoking!) Please allow 10-12 weeks for delivery. If you're a real heavy smoker, request FEDEX delivery so your gift gets to you before you expire.

A grotesque transgression, Fraud occurs when an individual knowingly dons apparel wholly inconsistent with their chronological age for the purpose of appearing younger to members of the opposite sex. This disturbing crime is increasing at a near epidemic rate as the youth-obsessed Baby Boom Generation moves into middle age and beyond.

You have to wonder why, with so many clothing stores and magazines devoted to fashion, there are so many people walking around in our society who look as if they've been dressed by a blind circus clown. CRIME

D.W.I. (Dressing While Intoxicated)

An Individual is guilty of Dressing While Intoxicated (D.W.I.) when he or she, while under the influence of alcohol or other mind-altering substance, dresses in a manner tantamount to visual pollution. UNLAWFUL IMPRISONMENT

Tragically, the victims of Unlawful Imprisonment are children preyed upon by over-protective parents or guardians. Acting in a deliberate manner and with reckless disregard of comfort and actual weather conditions, these insensitive adults dress minors in such a way so as to render them totally immobile, often resulting in their being mistaken for stuffed animals or lawn ornaments.

ENTRAPMENT

A truly heinous and intensely anti-social fashion infraction, one is guilty of Entrapment when he or she fails to make a prompt and reasonable effort to extract that portion of the garment which has been therein wedged, from the dark recesses of the gluteus maximus (crack)

MOM'S AWAY! DEPT.

"Latchkey Kids" are (for the 12 of you who still don't know) children who are left home alone. No, not when their parents fly off to Paris without them, but everyday after school while their parents are still at work! With literally millions of Latchkey Kids out there, it's not just a trend or phenomenon — it's a full-blown lifestyle! Of course, since nothing becomes an official lifestyle until it has its own magazine, here's a sample edition of...

the FIX-IT FILE

For the Latchkey Kid with unwanted chores to do, we present our monthly troubleshooting guide to selected household appliances and how to "fix" them (if you know what we mean)!

LAWN BUTLER MULCH-O-MATIC 5 H.P. MOWER

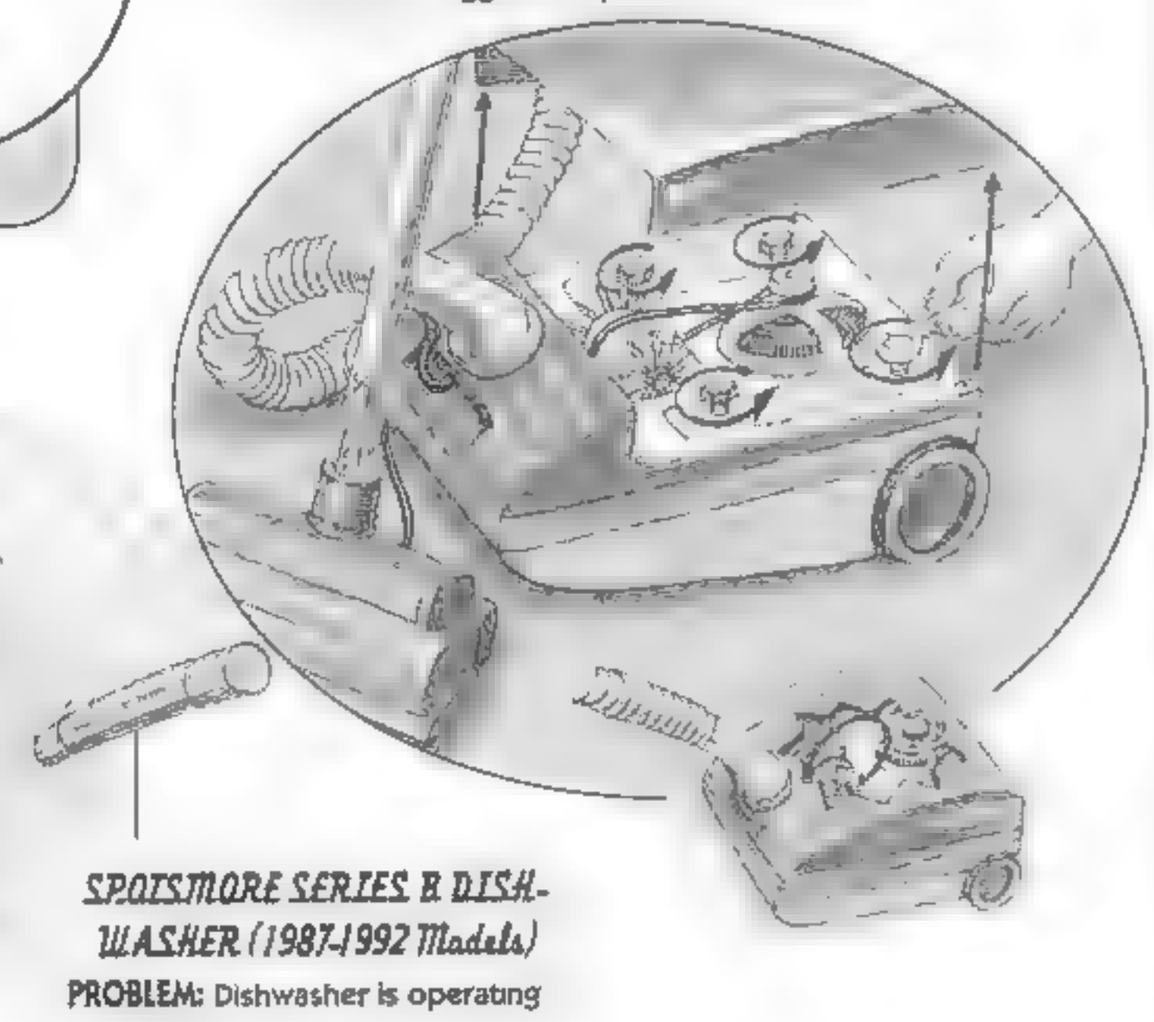
PROBLEM: Mower engine runs fine.

SOLUTION: Cut a 3" section out of the cable running from the Control Lever to the Engine through a small, undetectable slit in the cable insulation, thus making it impossible to engage the ignition switch ever!

SUCK-RITE Model 12B Vacuum Cleaner

PROBLEM: Vacuum Cleaner works.

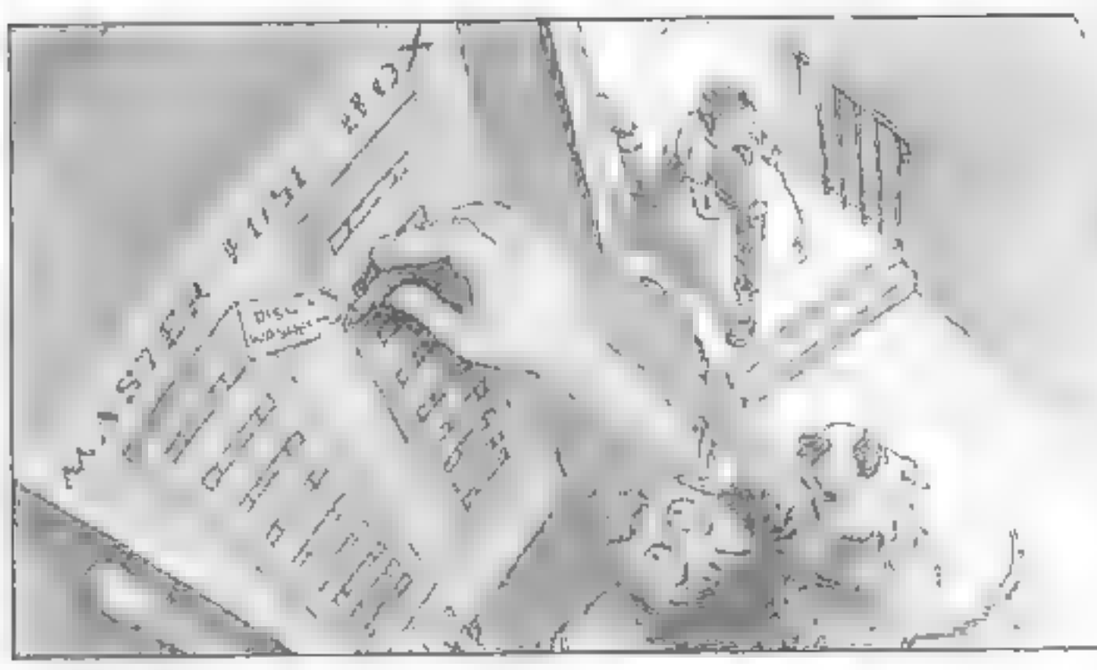
SOLUTION: After Removing the housing cover, unscrew the four Retainer Bolts exactly 3 1/2 turns, replace the housing cover and turn vacuum on...the vibrating motor will cause the Drive Belt to wiggle off by itself!



SPOTSMORE SERIES B DISH-WASHER (1987-1992 Models)

PROBLEM: Dishwasher is operating normally.

SOLUTION: Locate the Master Fuse Box to your house, remove the fuse to the dishwasher circuit, hurl fuse into next county!



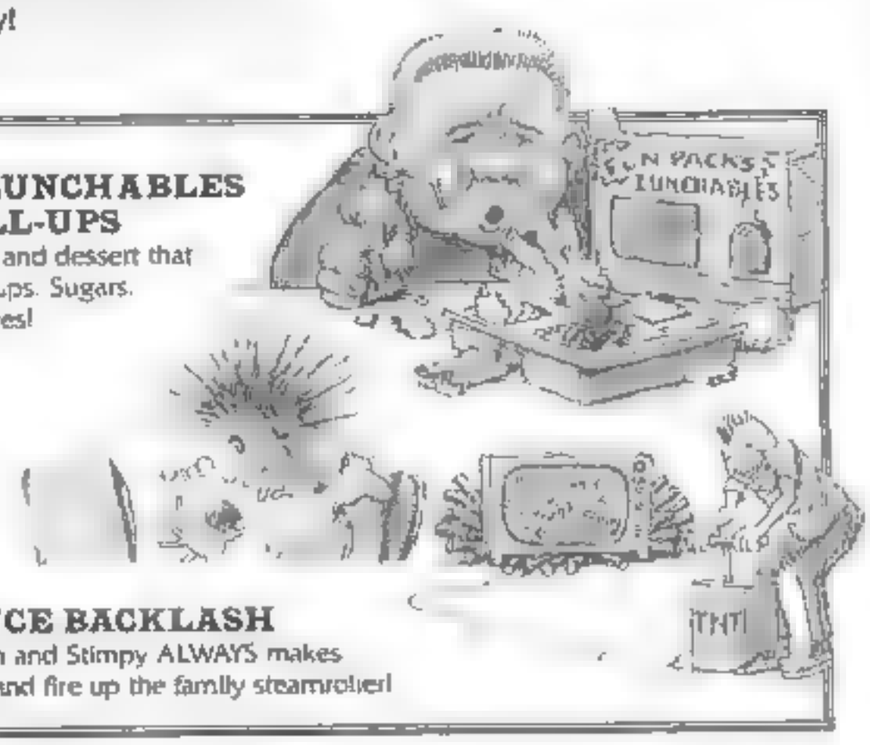
THE LATCHKEY TOP 3

What Latchkey Kids Are Talking About This Month

1. OSCAR MAYER LUNCHABLES AND FRUIT ROLL-UPS
Finally! A complete lunch and dessert that includes all four food groups: Sugars, Salts, Fats and Preservatives!

2. 911 OPERATORS
How come none of them can take a joke?!

3. THE TV VIOLENCE BACKLASH
Oh, sure — watching Ren and Stimpy ALWAYS makes me wanna grab the TNT and fire up the family steamroller!



ASK LARRY

Larry Leechman was one of the original Latchkey Kids back in the 1960s! Today, he's 38 years old, a Ph.D. and still living at home!

Dear Larry,
What can I say to my parents to make them change their minds and let my friends come over to play when they're not home?

Lon Lee
Secaucus, NJ

Dear Lon,
It's not so much what you say, but how you say it! Next time, try this: Instead of saying you want to "play with your friends"...tell your folks you "need" to do some "peer-group bonding" and that it's essential to your "psycho-social development!" (Sure, I know it's just gobbledygook, but today's "New Age-y" parents eat up that crap with a spoon!)

Dear Larry
My folks insist I only watch "educational" TV programs. But, besides SESAME STREET and BARNEY THE DINOSAUR (Yecch!), there's noth ng on!

Flip Stations
Atlanta, GA

Dear Flip,
Nonsense! Almost everything on TV is educational, if you just "position" it to your parents the right way! For example, take Ren & Stimpy, a show that teaches about the digestive system by the sounds that come out of the body! Or how about DOUBLE DARE? It's practically a college-level course in Fluid Dynamics and Gravitational Physics! And then there's BEAVIS & BUTT-HEAD — you couldn't ask for a better "Stay in school, just say NO to drugs" message!

Confidential to "Pizza Face":
You're absolutely right in being concerned that your daily "afterschool party mix" of Cheetos, M&M's, Ding-Dongs, Doritos, Milk Duds and the marshmallow pieces from Lucky Charms isn't nutritionally balanced! You have to make a change! I recommend the next time you whip up a batch, toss in a handful of Flintstones vitamins! Bon Appetit!

DON'T TRY THIS AT HOME! (Wink, wink!)

Actual readers accounts of their favorite hoaxes, pranks and practical jokes.

"One afternoon, our dog Woof had slipped out of his Collar and Leash. Out of sheer boredom, I put it around my own neck...and had a brilliant idea! First, I tied myself to a doorknob; set out a fresh bowl of Alpo; then started calling up producers for Hard Copy, A Current Affair, Inside Edition — all the big Tabloid TV shows! Sure enough, the next day my face was beamed coast to coast as 'Dog Boy, the most mistreated kid in America'! Wow, were my parents embarrassed! (Even now, months after the original 'gotcha,' they still can't go outside without being physically attacked by strangers!!)"

A KICK IN THE BUTLER DEPT.

Thanks for the newsflash, Bob! And although each year "babe comics" deserve the scrutiny of our jaundiced eye, today's winner is the show that should be called "Single White Trash Female." While the notion of stand-up comic Brett Butler starring as a single mom trying to raise three kids is an admirable one, the plots and acting on this show is so lackluster and pedestrian it's clear to everyone who sees it that it's simply. . .

Grace Uninspired

ARTIST ANGELO TORRES WRITER A.J. MARLEY

I'm Grate! On this show, we depict men the way they really are — abusive, selfish and manipulative! And if the men on my writing staff don't portray them that way, I'll fire every one of them, because around here I'm the abusive, selfish and manipulative one!

I'm San Quentin and since my mom kicked my dad out, mom calls me the "man of the house"! 'Course, I'm not really the man of the house — and lucky for me, considering how mom feels about men!

I'm Lippy and when I grow up I want to be just like my mama! And I've been practicing — making life miserable for every boy I know every chance I get!

I'm Naydeed, Grate's best friend, and I hate it when people say I have a problem relating to men! Heck — I've had four husbands!

I'm Wave! I used to fly combat helicopter missions over the dark, hostile jungles of Viet Nam! Now I'm Naydeed's fourth husband! Boy, do I miss the dark hostile jungles of Viet Nam!

I'm Grate's sister, Fate! Grate tells me she couldn't get by without my emotional support! Funny, I never considered unlimited free baby sitting and endless housecleaning help, "emotional" support!

I'm Russet, Fate's boyfriend and Grate's platonic male friend! Like a lot of characters on this show, I'm in recovery! I'm trying to recover from leaving a classic, hilarious series like SCTV and winding up here!

I'm Grate's ex-husband, Gimme! I'm a shiftless, irresponsible, woman-abusing, semi-unemployed alcoholic who Grate insisted be on the show so they'd have at least one positive male role model!

Mommy, mommy daddy's here! Daddy's here!

Hey. Gimme! What brings your sorry butt around?

Gee. Grate — you act like I came here to ask for money!

Considering you owe me two-and-a-half years of back child support, I doubt you'd ask me for money!

Exactly! I'm here to BEG you for money! Please Grate — I gotta have $200!

Gimme, you are a self-centered, inconsiderate, no-account bum!

Hey, don't butter me up — if you're not gonna g mme the $200, just say so!

Here daddy — I have $3.71 in my piggy bank!

And I got $12 in birthday money, pop!

This is an all-time low for you, Gimme! Taking your kids' money!

Only because I have to! I ain't gonna be able to work next week! I'm gonna be flat on my back!

Oh really? Do you have surgery scheduled?

No, I got a five-day bender scheduled! Thank kids! See ya!

You mean Gimme actually took the kids' money?

Yeah — the miserable wretch! He's the biggest loser I've ever known, and I've known and dated losers of every type, size and shape!

Hmm...Grate you ever think the big problem here might not be men so much as your taste in men?

That's cold, Naydeed insinuating I have bad taste in men!

But I'm always brutally, painfully honest with you — I mean, we've been friends since we were fourteen!

Which makes me wonder if my taste in friends is all that hot, too!

But enough about me! What's your problem du jour?

What makes you think I have a problem?

I don't know...Your unstable marriage? Your inability to have a baby? Your lack of a career, or a direction in life?

Wow! I have more problems than I thought! I'm going to have to schedule more problem-solving time with you, Grate!

So tell me, Grate — nobody knows me better than you — you and I do everything together! Why can't I get pregnant?
Probably because you're always at my house! Spend 20 minutes with your husband once or twice a week, you might be surprised!
Well, thanks for the advice, Grate! It must make you feel good, the way you solve everybody's problems!
Yeah, but I think my reputation for problem solving may be getting out of hand...

I'm packing 179 pounds on a 5'4" frame! I need some diet pills!

Last night I dreamed I was tied to the bedpost and a lady in a leather mask was standing over me with a whip! You know about these things, Grate! Do you think that dream had any sexual significance?
The way my mind works, Russet, you could have dreamed about a nun saying grace at Thanksgiving and for me it would have deep sexual overtones!

But I didn't! You were the one who said that!
Oh, that's so typical of men! Blaming a woman for their deviant sexual desires!
BORING.

But we never seem to do any work! We're always in here, eating lunch and shooting the breeze!
That's why we have to ask the boss for a raise — to distract him from noticing that!
FEEDING TIMES

Grate, I have a really big problem!

Aside from your weight? I mean, the flesh eating bacteria just declared you "Buffet of the Year"!

Hey, did you forget you already did that joke?

Thanks very much for the compliment!

Saying you repeated a joke is a compliment?

No, calling anything I say around here a joke is a compliment!

It makes me happy to see you working at your pottery. Wave!

It helps recharge my batteries and vent creative energy!

What's that?

A fertility um, to get you pregnant! A gypsy sold me the directions for only $500!

Next time we go to the doctor, let's get him to check your sperm count and your I.Q.!

Wave, working this wheel together reminds me of Demi Moore and Patrick Swayze in that scene from *Ghost!*

Oh yeah?

Yeah... and it's getting me in the mood...

Me too! Let's go rent that movie!

Grate, did you get anything out of nine years of marriage to that slobbering lush, Gimme?

Absolutely! I learned what selfish, shallow, abusive animals men really are!

That's tough! So what do you want to do tonight?

I don't know... cruise for guys?

Seriously Grate, think you'll ever get into another long-term, exclusive relationship?

No! I'm a '90s woman — I hold a job, raise my kids alone and have sex with whoever I want, whenever I want!

But that exposes you to a whole mess of nasty, sexually-transmitted diseases!

Hey, I didn't say I was an intelligent '90s woman!

Men! You can't live with 'em.

And you can't live without 'em!

Actually we could, if we could just teach vibrators to take out the garbage!

Do you realize a single woman has a better chance of being struck by lightning than meeting a compatible man after 35?

True! But after midnight on half-price drink night, her chances go up considerably!

This was a great idea! We haven't been to the town comedy club in a while!

And I hear they have a new comic tonight who's really unusual!

Making a career move! Bill and I figure we've got another year-and-a-half of employment! By then I plan to have a stand-up act, which means a sitcom, which means money!

Wow — what a country! We're the only nation in the world with a "trade deficit" and a "sitcoms starring-standups" surplus!
